

ASSEMBLY BILL

No. 1651

Introduced by Assembly Member De La Torre

January 13, 2010

An act to add Section 20960.1 to the Government Code, relating to public retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 1651, as introduced, De La Torre. Public Employees' Retirement Law: furloughs: retirement credit.

The Public Employees' Retirement Law provides retirement benefits based upon a member's final compensation and years of credited service. That law provides that members in the personal leave program shall receive credit for service that would have been credited had the employee not been in the personal leave program.

This bill would provide that the calculations for retirement allowances under the Public Employees' Retirement Law for members that are employees of specified educational entities who are subject to mandatory furloughs shall include, as credit for service and compensation, the amount of service and compensation that would have been credited and paid had the member not been subject to mandatory furloughs.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
